MEMORANDUM FOR: Chief, Planning, Programming & Budgeting
Staff, NPIC
Chief, Imagery Exploitation Group, NPIC
Chief, Production Services Group, NPIC
Director, Imagery Analysis Service

THROUGH : Chief, Technical Services & Support Group,
NPIC

SUBJECT : Dry Silver Committee

25X1

1. The [] Dry Silver Development Program, supported by NPIC R&D funds, has progressed from an investigative project to a program producing usable products. Dry process films and papers, along with initial processing equipment are scheduled for delivery to the Center within the next few months.

2. Personnel from the various Divisions within the Center; i.e., photo interpreters, photo lab technicians, graphics personnel, T&E personnel, etc., will be involved with the many aspects of dry photo reproduction systems.

3. In order to insure smooth scheduling, planning, and flow of information, it is requested that the Group Chiefs appoint representatives from the cognizant Divisions to serve on a coordinating committee. [] is the TSSG/RED contact for this program and is available to answer any questions on the Dry Silver Program or proposed committee.
